Strategies & banking solutions
to help mitigate fraud risk.

M&T Bank

Best Practices to Help Mitigate Fraud

The following checklist offers some suggestions on how you can help protect your computer from virus attacks and minimize internet payment fraud.

Be careful about any payment instructions/ account changes received via email

- ❑ Verify any account charges for an employee (payroll) or vendor (invoice) by reaching out directly to that employee or vendor using existing, previously known contact information.
- ❑ If you can't confirm all account changes, then set thresholds (dollar amounts) to be careful of account number changes where large dollar payments will be paid in the coming days or weeks.
- ❑ Confirm any payment instructions received via email or fax with the requester using another communication method, i.e. separate email or phone call.
- ❑ Avoid opening email attachments or clicking on internet links in suspicious emails.
- ❑ Be suspicious of requests that stress urgency, secrecy or the need to act without further confirmation.
- ❑ Be selective about what you install on your computer; malicious programs can automatically be installed on a computer while installing other software.

Tighten your ACH and wire controls

- ❑ Utilize ACH and check payment blocks or filters to place appropriate limits on payments.
- ❑ Use dual controls for ACH and wire payments, using two separate computers (i.e., one person creates the funds transfer and a second person approves the funds transfer).
- ❑ Implement dual approval of all ACH and wire profiles (i.e., one person authorizes the creation of the ACH/wire profile template that contains payment instructions and a second person approves the template).

Immediate actions to take if you detect fraud

Once the business discovers fraud, act quickly, and gather as much information as possible.

• Notify your bank so they can expedite a resolution.

• Log into your online accounts, and change all passwords.

• Pull payment audit reports so you have a top-line view of all transactions.

Stay tuned next month for the next installment of "Cybersecurity and Your Business" presented by M&T Bank.

For more information, please contact M&T Bank's Sayre Branch at 570-888-2284.

Try to initiate payment recalls, which are not always guaranteed.

Review user audit reports, and disable users as necessary.

Stop payments that have not been processed.

Brinn is currently a senior at Waverly High School and attends New Visions Honor Academy for Health Career Exploration and is planning to attend college and major in nursing. She is looking to help brighten the holidays for the children who are currently fighting sickness in the Pediatric Intensive Care Unit at Upstate Golisano Children's Hospital in Syracuse, New York. Her younger sister has spent many days/weeks along with multiple holidays in the Upstate Hospital. Brinn knows firsthand how it feels to have individuals give to families that are in the hospital and help brighten their day, whether it's the children themselves or the families staying at Upstate.

Brinn would like to give back by raising money for the in-patient PICU children at Upstate. Brinn will have each in-patient child create a Christmas wish list. With your help and donations, she can pursue this act of giving back. She hopes this brings smiles and motivation to keep fighting during the holiday season to these courageous children.

Brinn's email is cooney-brinn@wcsdletsgo.com if you have any questions!

 Sponsorship Opportunities*

October 2024

Dear Friend of Guthrie Sayre Turkey Trot,

The 18th Annual Guthrie Sayre Turkey Trot 5K and Kids Fun Run presented by the Robert Packer Hospital Auxiliary, the largest 5K running event in Bradford County, Pa, is back in 2024! On Thanksgiving morning over 1,000 runners and walkers brave the chill and participate in this event which raises over \$60,000 for charity.

We hope to be able to count on your support for this event which, through the Turkey Trot, allows your company to reach thousands of runners, walkers, fitness enthusiasts and regional community members.

Proceeds from the 18th Annual Guthrie Sayre Turkey Trot will benefit Guthrie's Cancer Care Fund. The Cancer Care Fund provides financial relief to Guthrie cancer patients at all Guthrie Cancer Center facilities. Financial burdens can take a significant toll on our patients who should be focusing on healing and finishing their fight against cancer. Guthrie's Cancer Care Fund is there to assist supporting expenses related to housing, transportation, and utilities.

If you would like to take the opportunity to support Guthrie Sayre Turkey Trot, please complete and return the enclosed sponsorship form by October 23, 2024.

For full race details or more information about sponsorship, please visit www.guthrie.org/sayreturkeytrot or call Resource Development at 570-887-4420. Thank you for helping to make this community event possible.
